

JOBS FOR CARSON

OPPOSE THE BAN

NoEnergyBan.com

Energy Citizens

STAND-UP FOR CALIFORNIA'S ENERGY FUTURE.

Say NO to a Ban on Energy Development.

This proposed oil drilling ban is a strike at the heart of Carson's economy. It will not only destroy jobs in our city's energy industry, but it will also hurt numerous small businesses in our community. We must come together to ensure our economy isn't hurt by this short-sighted proposal.
