## NOTICE OF COMMUNITY WORKSHOP

### CITY OF CARSON OIL AND GAS CODE UPDATE

NOTICE IS HEREBY GIVEN that a COMMUNITY WORKSHOP will be conducted by the City of Carson to inform Carson residents and other interested parties on the upcoming update to the City's Oil and Gas Code. On May 20, 2014, the City Council directed staff to update the Carson Municipal Code, including Section 9148.2, Oil Wells. The City has hired Marine Research Specialists (MRS) to assist the City in this effort. At this meeting, MRS will present the topics to be incorporated into the code update including but not limited to: types of permitted drilling methods, prohibition of hydraulic fracturing, environmental impacts of drilling to air, water, and soil, proximity of oil drilling to residential areas, abandoned oil wells, earthquakes, public health, and transportation of oil and gas. This will be the first of two community meetings before the updated City Oil and Gas Code is scheduled for public hearings before the Planning Commission and City Council later this year.

All persons interested in this topic who have questions or would like to provide feedback are invited to attend the Workshop which will be held at:
