

NO New Drilling in Populated Areas

Petition to Regulate the Oil Industry

We the undersigned, call for immediate action by the Obama Administration, U.S. Congress, California State Legislature, and local government officials to put into effect the following regulations for the oil industry to protect communities and residents.

- All new activity must be developed and maintained in unpopulated areas.
- Existing wells in populated areas will cease all fracking, acidizing, and any well stimulation.
- In areas where this is unavoidable, all affected residents will be bought out or compensated anticipated loss in property value and industry related damages that may occur.
- The oil company must maintain a bond in the event of an emergency to correct ALL damages to the community and residents.
